Calamity Days

With the most recent cancellation for fog last Monday we have used all 5 of our allotted calamity days. Hopefully, with Spring upon us, we won't have to use any more but Ohio weather is always unpredictable! If we should have to cancel again we will make up the days via "Blizzard Bags" which will allow our students to make up missed work via online or hard copy assignments at home. If you should have any questions don't hesitate to contact us.

Washington D.C.

Our 8th graders are halfway through their amazing Washington D.C. field trip! Thanks to all those who helped make this trip possible for our students! They'll finish up their trip this weekend and arrive back on Sunday – we wish them an enjoyable rest of the trip and safe travels!

Good Luck!

Saturday looks to be a busy day with FFA at the State Dairy Cattle & Dairy Handlers Event. Baseball and Softball will both play doubleheaders against Columbus Grove. Finally, SOS will hold their annual Spring Fling at the Columbus Grove Roller Rink (and don't forget Donuts with Dad, sponsored by SOS, next Friday, April 7th)! Good luck to all!

Go Hornets!
