

## Community Update

5-29-15

Well, we made it! The time seems to have flown by so quickly...it seems like only a few months ago we were welcoming everyone back to school (and soon enough we'll be doing that again!). Thanks to our great students and staff this proved to be a very successful year! To cap it all off we have some celebrations and good luck wishes...

Congratulations to our graduates! As we send off the seniors into the world of career or college we are always hopeful for their continued success. We should rest easy, though, knowing that they are well-equipped to deal with the challenges that will come their way. They were a great class and will be missed. Best of luck in your future endeavors graduates!

Another group also celebrated their graduation...the kindergarten classes had their ceremony on Thursday and did an amazing job. It is so exciting and interesting to contrast these kids "graduating" to the next level with those who did on Sunday. Before we know it the current kindergarteners will be the ones receiving their diploma on Sunday...it all goes by too quickly!

The last group of "graduates" were recognized on Wednesday evening...our four retirees (Mark Willeke, Jennie Hartman, Judi Clymer, and Tammy Parkins) were honored for their years of dedicated service to our school and community. At the ceremony one of them remarked that it "feels like we're graduating" and, indeed, they really are. For each of them I know this is not the end – they will not sit idly by; rather, they'll dive headfirst into the next phase of their life. Best wishes in your journey!

Finally, congratulations and best wishes to our regional track qualifiers Kyle Sands, Mason Warnimont, Ian Moser, and Matthew Alspach. The 4x100 and 4x200 relays, along with Mason in the 100 and 200, are running tonight to qualify for the state meet. Good luck guys!

To all, thank you for your support throughout the school year! Have a wonderful and enjoyable summer and we'll see you soon!
