

Community Update

11-6-15

With the unseasonably warm weather we've had recently one might not be entirely certain that we've entered November. However, with the time change and, just as obviously, the bouncing of basketballs in the gyms after school we have officially "switched" seasons. With Thanksgiving looming on the horizon it's hard to believe we're already through the first quarter of the year! Enjoy a few highlights below and have a great weekend!

Congratulations!

Congrats to the newest inductees into the National Honor and National Junior Honor Society! These inductees were honored at their respective events last Monday (NJHS) and this past Monday (NHS).

Veterans Day

This coming Wednesday, November 11th, will mark the observance of Veterans Day. We have received a few inquiries regarding our bi-annual event in recognition and observance of this day. For those who are not familiar with our event it originated several years ago under the leadership of Mark Willeke, (now) retired high school principal and many staff members. The solemn and respectful remembrance of the veterans and their sacrifices has become instilled as an unspoken tradition for our staff, students, and community. Rest assured that we will continue the tradition of holding this event every other year and look forward to trying to maintain the high bar set by Mr. Willeke in his organization of the event. More importantly, to our veterans, please know that even though this is an "off" year in which we will not hold the event, we will continue to observe this day in our school and instill the respect for all that you have given to our country and community!

Board of Education Election

Congratulations to our newly elected Board of Education members, Deb Core and Jason Oman! I'm glad that we have people willing to step up, give of their time for a significant job that impacts our kids' futures, and help guide our school to even higher levels of success. We will certainly miss our outgoing members, Joe Mattoon and Melissa Edson, and the time and dedication they gave to our school and community – thank you to both of them!

Good luck!

Best wishes to our basketball teams as they gear up for the season with a girls scrimmage tonight at Spencerville and boys tomorrow vs. Ft. Jennings. Additionally, good luck to our Show Choir as they head to the Ada Music Feast on Saturday!
