

Community Friday Update

4-27-18

Good Friday afternoon! I hope this update finds you doing well and enjoying the (finally!) warm weather. It seems impossible to believe but graduation is right around the corner for our seniors! There's still quite a bit going on this last month of school, though, as we remind our seniors to not suffer too much from "senioritis"!

Congratulations

Congrats to our Spring Senior All-Academic Athletes: Daniel White (track), Jonathan Hoorman (track), Hayley Waltz (track), Eric Ritter (baseball), and Ethan Cawley (baseball)!

Good Luck

Good luck to our HS Band at the State Large Group Adjudicated Event at Findlay HS tonight! Good luck, also, to baseball and softball as they both host Allen East for a doubleheader and the track team as they travel to Liberty-Benton on Saturday.

Staff Appreciation

National Teacher Appreciation week (week of May 7th) is a time when we take the opportunity to thank all of our staff for the impact they make on students' lives on a daily basis. Our staff consistently goes above and beyond in providing outstanding classroom instruction and, perhaps even more importantly, in building relationships with students in sports, extracurriculars, and in the classroom. Our staff works hard to ensure our kids have success as students and as citizens. They spend countless hours ensuring students are safe, receive a top-notch education, and ensuring kids know that we care. While once a year hardly seems enough, I encourage you to thank someone at CR who made an impact on your life or that of your child.

Tax Levy

The May 8th Primary Election is almost upon us and as a former social studies teacher I can't help but encourage you to exercise your right to vote. Besides our income tax levy renewal on the ballot there is a State Issue and other items and candidates that will affect all or some of our community. If you should have any questions about our income tax levy renewal (.75% for 5 year term) please do not hesitate to contact my office.
