

Community Update

5-22-15

Greetings! I hope this newsletter finds you doing well, staying warm in our unseasonably cold temperatures and, perhaps, counting down the last days of schools as many of our students are! I have just a few quick, but very important, notes this week. Have a great Memorial Day weekend!

Good Luck!

Good luck to our District Track qualifiers this Saturday...they're peaking at the right time! Keep on going Hornets! Becca Schutz will run in the 100 & 200m; the girls 4x100 team consisting of Katie Brown, Caroline Schutz, Tessa Livingston and Becca Schutz will compete to move on; Mason Warnimont and Ian Moser will run in the 100 & 200m; Matthew Alspach in the 400m; Jonathan Hoorman in the 1600m; and finally the boys will have teams competing in the 4x200 and 4x100 (Ian, Kyle Sands, Matthew, Mason). Matthew (high jump), Bryce Tuttle (Shot), Ryan Forney (shot), Avery Holland (disc), Nicki Biery (disc), and Dani Badertscher (pole vault) will also compete in the finals on Saturday.

Graduation

The seniors' last academic day at school was yesterday and, as I type this update, they're on their way in to school for our annual senior breakfast and graduation ceremony rehearsal. The graduation ceremony will take place in the varsity gym at 2pm on Sunday, May 24th. Congratulations seniors!

Retirement celebration

A reminder that we'll be hosting a community retirement celebration ceremony for Judi Clymer, Tammy Parkins, Jennie Hartman, and Mark Willeke on Wednesday, May 27th at 6:30pm in the elementary cafeteria. The event is open to all – we'll have a few speakers to share some thoughts and then refreshments, cake, and reminiscing after the ceremony. Please join us as we bid these longtime Hornets a wonderful retirement!
