

## Community Update

10-12-18

Good Friday afternoon! I hope this update finds you doing well and enjoying the always interesting Ohio weather that has undergone a drastic drop in temperature this week. The chill in the air will make for a more traditional Friday night football game instead of the 80° nights we've had lately! Speaking of football, we hope you can come out tonight to cheer on the boys and stick around after the game for a Meet and Greet in the elementary cafeteria with the 1968 Football Team celebrating their 50<sup>th</sup> anniversary of their state championship!

### Article

I was grateful to have a parent share this article with me from a recent Columbus Dispatch and thought it worthwhile to share with our community.

### Congrats

Congratulations to the boys' and girls' soccer team as they both secured victories on Parents' night at their home fields! The boys' jumped to an early lead on Spencerville and never looked back, while the girls' gave us an exciting back-and-forth scoring match with Delphos Jefferson before finally going ahead for good late in the second half.

### Good Luck!

Good luck to the football team tonight as they host Pandora-Gilboa. Tomorrow is a busy day with Cross Country traveling to their BVC Meet at Owens in Findlay. The 7<sup>th</sup> grade volleyball team will take part in Liberty-Benton's Invitational, while the Varsity and JV Volleyball teams will travel to take on Bluffton. The boys' soccer team will host Ft. Jennings. Finally, FFA will be traveling to Newark for the Urban Soils competition. Good luck to all and Go Hornets!

### FFA Fruit Sales

Don't forget the FFA Fruit Sale that began this week – as always it's a great chance to support our FFA and get some outstanding fruit and goodies!
