

During the current school shut down please use the following "Assignment Board" to serve as the guide for remote learning for your Cory-Rawson elementary school student. Each day students are asked to complete one row which includes activities from four subject areas. The fifth column is for a Family Engagement activity that is an optional activity meant to be fun for the family to complete together. Parents are asked to mark their initials in the box on the left side when the four assignments are complete! For the sake of simplicity the directions are the same for any student grades k-6, though there are variations in activities for each grade level.

Week 3	ELA	Math	Science/ Social Studies	Specials (Art, Phys Ed, Music)	Family Engagement (Optional)
