

Community Update

2-23-18

This week's update features some excellent accomplishments by our students but, unfortunately also brings sad news. This week the Cory-Rawson family lost several alumni: Carolyn Woodward-Early ('56), Gary Benner ('79), and Jeff Augustine ('79). Gary and Jeff were very active with the FFA Alumni. All of them will be sorely missed and our thoughts and prayers go out to their families.

Kudos!

On a more upbeat note, congrats to Zoe Chisolm and Samantha Roth for receiving Honorable Mention in the BVC Girls' Basketball League Awards!

Congratulations, also, to the wrestlers at the recent BVC Tournament: Tyler Stoodt – 2nd (126); Deontae Davis – 1st (160); Blaine Peterson – 3rd (182); Dylan Stoops – 2nd (195); Zerich Magnall – 4th (220)

And, last, but certainly not least, a huge congratulations to Eric Ritter on scoring his 1000th point Tuesday evening against Ridgemont! This is quite an accomplishment...and Eric will have a chance to add to it on Friday against Pandora-Gilboa to end the season. Why not add 50 to the total in a winning effort, Eric?

Good Luck!

Good luck tonight to the boys' basketball team as they end the season against PG. The wrestlers will travel to Lima for the first half of their sectional tournament (and the second half on Saturday). Saturday features an FFA contest in Columbus, the freshmen basketball team continuing their tournament run at Riverdale (kudos on the win this week!), the championship rounds of the 7th and 8th grade basketball tournament will take place at CR, and our Vocal Jazz group will be singing the National Anthem at the Toledo Walleyes game! Good luck to all!
