2-24-17

Good afternoon! I hope you've been enjoying the unseasonably warm weather! It was quite a change for our FFA celebration week when we're used to seeing students drive their tractors to school on icy or snow-covered roads! Speaking of FFA, they had a great week bringing recognition to all that they do. After hosting the District Public Speaking Contest this week, they'll travel on Saturday to take part in the Wooster Agriculture Technical Institute Invite.

Events

There are a number of other events to highlight as we head into the weekend. Wrestling will travel to Fostoria for their sectional tournaments on Friday and Saturday. Boys' basketball will wrap up the regular season tonight against PG and will take on Columbus Grove on Tuesday to start their tournament play. Finally, our 8th grade boys' basketball team will take on Liberty-Benton in the JH tournament on Saturday. Good luck and Go Hornets!
