A RESOLUTION
 CALLING ON THE OHIO LEGISLATURE AND OHIO DEPARTMENT OF

 AS THEY DEVELOP LEGISLATION AND RULES PURSUANT TO THE
 EVERY STUDENT SUCCEEDS ACT

WHEREAS, the Cory-Rawson Local Schools community elects Board Members to ensure an effective, efficient, vibrant and productive school system; and,

WHEREAS, it is Cory-Rawson Local Schools Board of Education's duty to deliver educational programs and services to the students of the Cory-Rawson Local School District; and,

WHEREAS, the Board is responsible to listen to the community including taxpayers, parents and other patrons, as well as the state; and,

WHEREAS, Cory-Rawson Local Schools recognizes the importance of local control and further recognizes that when this is not allowed to occur, student performance decreases; and,

WHEREAS, school district boards of education have no control over the number of federal and state unfunded mandates ("Unfunded Mandates") placed upon school districts; and,

WHEREAS, Unfunded Mandates have increased considerably in recent years; and,

WHEREAS, Unfunded Mandates have changed significantly in recent years; and,

WHEREAS, Cory-Rawson Local Schools recognizes that as Unfunded Mandates have increased and changed, Ohio's student performance has dropped from 5th in the Nation to 23rd; and,

WHEREAS on December 10, 2015, President Barack Obama signed the Every Student Succeeds Act (ESSA) into law as Public Law Number 114-95; and

WHEREAS, the ESSA removes certain Unfunded Mandates; and,

WHEREAS, the ESSA mandates local involvement and input from local stakeholders; and,

WHEREAS, in its ESSA summary released in January of 2016, the Ohio Department of Education (“ODE”) recognized that the ESSA “requires local school board input in federal rulemaking in key areas such as testing and accountability;” and,

WHEREAS, meaningful input from stakeholders is critical prior to any legislative changes as a result of the ESSA; and,

NOW, THEREFORE, BE IT RESOLVED, that we, the elected members of the CORY-RAWSON LOCAL SCHOOL DISTRICT Board of Education, on behalf of the children and community we serve, call upon the Ohio Department of Education and our state representatives to gather critical input from school officials and to enact meaningful governing guidelines to ensure greater accountability and transparency while seeking local input on student performance; and

BE IT FURTHER RESOLVED, that the State of Ohio should follow the suggestions within ESSA, which encourages local control while districts work with their stakeholders to determine best assessments to measure student performance; and,

BE IT FURTHER RESOLVED, that the State of Ohio should not create the ESSA guidelines prior to seeking and incorporating input from local school districts and their stakeholders and should delay submission of its ESSA draft plan until this has occurred.
