Jodi Gaietto, Superintendent, Pro Tempore

A Message from Deputy Saltzman: Cory-Rawson School Resource Officer (SRO)

Greetings!

I want to take a moment to introduce myself. My name is Deputy James Saltzman with the Hancock County Sheriff's Office. I am very excited to be your full time School Resource Officer (SRO)! I completed SRO school a few years ago, around the time I started. The last few years I was the SRO for Cory-Rawson, Liberty-Benton, Arlington, Vanlue, and the Hancock County ESC.

I am so glad to see all the schools taking the extra steps to keep the students safe. This year we have a full time SRO at almost every school in the county. I want to thank Cory-Rawson School District for giving me the opportunity to be here and help make a difference.

Thank You,
Deputy James Saltzman

Our new School Counselor, Wendie Swary, has been teaching students about resiliency using the Coffee Bean by Jon Gordon. Students have done an elite job relating this lesson to their lives and other lessons they have learned like Event plus Response equals Outcome (E+R=O) while at school. Students have also had fun completing their "Who's Behind the Mask" activity from Mrs. Swary expressing who they are under their masks.

For those of you who might be interested in watching the Governor's Address, I will post them in the weekly update. Attached is Thursday, September 24, 2020. Hancock County remains in the "orange" alert category again this week. [Click Here](#)

ATHLETIC EVENTS AND MASKS:

On behalf of the Cory-Rawson School District, I am once again requesting that when you are in attendance at an athletic event, you are wearing a mask, as mandated by Governor DeWine as well as the Ohio High School Athletic Association. Thank you for your attention to this! Our first priority continues to be the safety of our students and community.
