

Community Update

10-27-17

Greetings on this wonderful Friday afternoon! I hope this update finds you doing well and embracing the fall temperatures that are finally upon us. I'm sure we'll see some costumes this weekend with an extra layer for warmth as the temperature dips into the 40s!

Our FFA is off to National Convention this week – we wish them a great time and safe travels! Congratulations to alumni Megan Ritter and Aubry von Stein who will be receiving their American Degree at the convention! We also recognized the Red Ribbon Campaign this week – while we often think of education as academic related, it is equally imperative to educate our students about the ever-present danger of drugs.

Looking ahead, the end-of-the-season sports banquets have begun...and not too long after that Parent-Teacher Conferences will be upon us just before Thanksgiving. In the meantime, have a great week!

Congrats!

Congratulations to Jonathan Hoorman for finishing in 17:39 (and 10th place overall) at the District Cross Country meet and qualifying for Regionals! Jonathan will run at the Tiffin Regional meet this Saturday. Good luck! One other note, Jonathan also was named 1st team All-BVC for the second year in a row!

Kudos to our Volleyball team for their first round playoff victory against Waynesfield-Goshen! Unfortunately, the girls lost to Leipsic in the next round and were knocked out of the tournament. Congratulations to Amanda Green for being named to 3rd team All-BVC and Riley Garmatter and Veronica Risner for receiving Honorable Mention.

Congratulations, also, to our upcoming inductees into National Junior Honor Society (Monday, October 30) and National Honor Society (Monday, November 6)! These excellent scholars always represent us well!

Good Luck!

Good luck to the football team as they travel to take on Pandora-Gilboa in the final regular season game of the year!
