

In just a few short days the school year will begin with all the excitement and trepidation students (and parents!) feel! We have been hard at work preparing for a great start to the school year and certainly hope it is for all of our students. If you have questions or concerns please do not hesitate to communicate with the school.

Kudos!

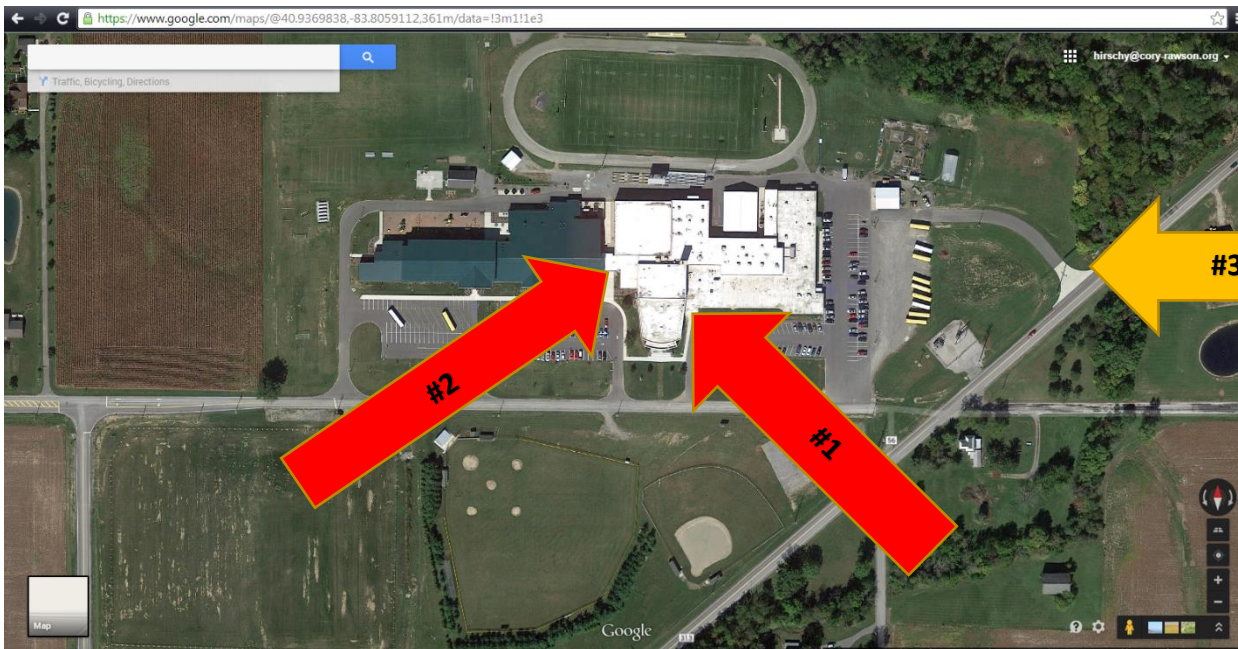

Congratulations to Mrs. Wendi Davis, HS Music/Band Director, who has been selected by the Findlay Rotary as one of 3 semi-finalists for their Golden Apple Award! Good luck to Mrs. Davis as she continues the evaluation process.

Athletic/Event Entrances

We will have a slight change to the entrances for athletic and extracurricular events (inside the school). The doors by the band room (east entrance) will no longer be accessible. Instead, we would ask you to utilize the doors by the auditorium (south entrance – labeled #1 below) and connector doors (B1 – by the elementary building – labeled #2 below) for all inside events (e.g. volleyball, basketball, band concert, etc.). This change is being implemented to ensure we can maintain the security of the high school building wing during events. While we know it may result in an inconvenience for some, we would ask for your patience and understanding in making this necessary change.

Please note that the entrances for outside events such as soccer and football remain unchanged.

Finally, a reminder that the bus drive/gate on the east side of the school (labeled #3 below) is primarily for that reason – buses entering and exiting. Visitors to the school during normal school hours should refrain from using this entrance. We will open this entrance for larger after school events such as football, volleyball tournaments, etc. Again, we ask for your help in keeping this drive and our parking lots as safe as possible for our students.
