

Community Update

3-23-18

Congratulations!

Congratulations to the Cory-Rawson HS Concert Band on receiving a Superior "I" rating at OMEA Large Group Adjudicated Event on Saturday, March 10th. They will perform at the State Large Group event on April 27-28th. We are proud of our Hornet Band!

Congrats to the Junior High Quiz Bowl Team who finished the regular season as League Champions, as well as winning the Junior High Quiz Bowl Tournament! Team members are: Jenna Hartman, Matthew Bechtol, Mattie Huber, Malia Lee, Brooklyn Turner, Eric Davis, Brynn Reese, Grant Wilson, Shaydin Ludwig, Michael Bixler, and Angela Hohman. All of this, along with the High School team's runner up status, says so much about the students and teachers here at Cory-Rawson. Keep up the outstanding work!

Kudos to Logan Kempf, Ethan Cawley, Desiree Hamby and Zoe Orwick for their art selections which are featured in the Marathon Center for the Performing Arts Advanced Art Show coming up on April 5-27th. Hopefully you have an opportunity to check out their work!

Safe Travels

We wish our 8th graders safe travels and an enjoyable time on their annual Washington D.C. trip next week! The students always represent our school and community well on this amazing trip and learn quite a bit about our country's past and present in ways that a classroom cannot accomplish.

Good Luck!

Good luck to baseball and softball as they scrimmage Kenton tonight! Good luck, also, to our music programs as our Vocal Jazz group travels to the Western Michigan University Invite, and our JH Band heads to Elida for their Solo and Ensemble contest.

Calendar

Don't forget our shortened week next week for Spring Break – students and staff will be off on Thursday, Friday, and Monday. Enjoy!
