Cory-Rawson Local School District Responsible Restart: The 2020-2021 School Year

It is likely COVID-19 will remain with us and Ohio will not return to normalcy for some time. A return to school for the 2020-2021 academic year may look very different. As a district we remain committed to our goal of partnering with our community to provide an engaging, enriching education in a safe

environment. Looking ahead our district will be faced with many difficult decisions. Many of these decisions will be impacted by mandates and guidelines from the Ohio Department of Health, the Ohio Department of Education, and the Centers for Disease Control & Prevention (CDC). As we plan for the 2020-2021 school year it is imperative to have feedback from our stakeholders. With this in mind, please click the button below to complete a brief survey by no later than 3:00 PM on Thursday, June 4, 2020.
