

Well, the end of the school year is nearly upon us! For the seniors this weekend represents the culmination of years of hard work and dedication as well as a celebration of opportunities that this will provide for them. The time seems to have flown by so quickly...it seems like only a few months ago we were welcoming everyone back to school (and soon enough we'll be doing that again!). Thanks to our great students and staff this proved to be a very successful year! To cap it all off we have some celebrations and good luck wishes...

Most importantly, congratulations to our graduates! After the graduation ceremony on Sunday (2pm) we will send off the seniors into the world of career or college! We are always hopeful for their continued success but we rest easy knowing that they are well-equipped to deal with the challenges that will come their way. They were a great class and will be missed. Best of luck graduates in your future endeavors!

Kudos to the junior high track team for the performance at their BVC meet on Monday evening!
