## **Cory-Rawson Local Schools Modified Hybrid Plan**

All Students grades K-12 will return to school four days a week beginning Monday October 19, 2020. Wednesday's will remain as REMOTE learning days.

If the Hancock County Health Advisory Level turns to red (Level 3) we will operate under a hybrid schedule. (K-12 students who have been designated in the GREEN group will attend school in person on Monday and Tuesday, students who have been designated in the GOLD group will attend school in person on Thursday and Friday, and Wednesday will be remote for all students). We will rely on the Hancock County Health Department indicators for the county. If the indicators show that schools are increasing the community spread, we will move from a hybrid schedule to completely remote.

Starting on Monday, October 19th please plan on buses arriving to pick up students 15-20 minutes earlier than normal.

For changes or questions please contact Ben Smith at 419-963-3415 ext. 5000 or email at [smith@cory-rawson.org](mailto:smith@cory-rawson.org)

As the school year progresses, this plan may fluctuate based on current county indicators and color designations. Levels are updated on Thursday each week.

As a district we will continue to review our plan to best meet both the health and educational needs of our students.

Parents: You can help us by continuing to encourage the complete and correct wearing of

masks (masks are to cover the nose, mouth, and chin). To wash hands for at least 20 seconds. Please remember you should be taking your child's temperature every day before they come to school. At school, we will continue to promote the wearing of masks, washing hands, hand sanitizing, and cleaning surfaces throughout the day.
