

Special Update for Parents of PK-12 Students

10-4-18

If you are a parent of a PK-12 student we are sending home a letter with your child(ren) this afternoon and have posted to our website information regarding recent cases of Hand-Foot-and-Mouth Disease. The letter has the same content as our website – we simply wanted to ensure parents received the information in a timely manner. As always, should you have any questions or concerns please do not hesitate to contact our school offices.
