

BUS ROUTES:

Parents/students - Bus route start and stop times are subject to change during the school year. We will use last school year pick-up times as a baseline and adjust as necessary. Buses will start out at approximately 6:35-7:00 am. For your planning purposes please understand that the routes will be off for the first few weeks of school as we add and drop students to the routes. All students will need to be at the bus stop before the bus arrives approximately 5-10 minutes early. The Rawson buses will be bus 2,6,10,11 this year and the stops are provided below. If you are attending Millstream or AOC this year and were planning on bus transportation please call the school as soon as possible. If your student's name is missing from any list please contact Ben Smith, Transportation Supervisor at 419-963-3415 EXT.5000
