Team Member _____

As a parent/guardian and a member of the 2015 Cory-Rawson High School Track Team, I understand that injuries may occur during high school athletics and that I have insurance that will cover any such injury. Also, I agree not to hold the coaches, administration or the Board of Education responsible for any injury which may occur during a track meet, track practice or any track related activity.

I also agree to follow the rules, procedures and policies adopted in the Cory-Rawson High School Athletic Handbook as reviewed at the Spring Sports Parent Meeting.
