

Community Update

5-4-18

It's a busy week for many CR students...FFA is at the State Convention in Columbus, 6th graders are enjoying their Camp Willson field trip, and our 1st graders spent some time learning outdoors at Oakwoods Park today! The activities continue this weekend with "Cinco de Cabaret" on Saturday evening presented by our Music Boosters featuring the vocal jazz ensemble, jazz band and choir. On Sunday our National Honor Society is holding a clean-up day at Rawson Village Park from 12-3pm (all are welcome to help out!).

Kudos

Congrats to our HS Concert Band for earning a Superior Rating at their State Event last Friday!

Awards Assembly

Our HS is revising an annual tradition of an awards assembly at the end of the school year. In years past it has been a semi-formal event during the school day with the student body and a smattering of parent and community member attendance. In working with our staff and students we desired to make this a more formal recognition of our Senior student achievements and scholarships and, moreover, to allow for parent and community attendance at the event. Kudos to our staff for putting together this revised event to better showcase and honor all the accolades our Seniors have achieved!

For those interested in attending, it is May 7th at 7pm. You may RSVP to Lisa Welch (welch@cory-rawson.org or 419.963.2611).

Tax Levy Renewal

One last reminder about the primary election and our income tax levy renewal on the May 8th ballot. Please exercise your right to vote! We appreciate the continued support of our school and students!

Good Luck!

Amidst all the other events listed above, our MS Band will travel to Parkway HS tonight for their Large Group Adjudicated Event. The JH Track team heads to Hardin Northern tonight as well. On Saturday, the HS Track team will travel to the Ada Invite, while softball will host a doubleheader against Lima City. Go Hornets!
