Active COVID-19 Daily Reporting

	Actively Positive	Currently Quarantined
PK-6 Students	0	7
7-12 Students	2	7
School Staff	0	2

Actively Positive indicates the current number of COVID-19 positive cases involving our school population of students and staff.

Currently Quarantined indicates any identified members of our school population currently quarantined due to a positive diagnosis of COVID-19 or due to close contact with an affected individual. This could include a child or staff member who is quarantined due to their contact with a positive COVID-19 family member or friend.

	Cumulative Positive	Cumulative Quarantined
PK-6 Students	3	53
7-12 Students	7	56
School Staff	9	20

When members of our school population are able to safely rejoin access to the building, as determined by the Hancock County Health Department, the numbers will move from **Actively Positive** and **Currently Quarantined** to **Cumulative Positive** and **Cumulative Quarantined** respectively.
