

## Community Update

6-30-17

Well, July is upon us and with it comes the hot weather and little rain...wait...wasn't it 60 degrees earlier this week with thunderstorms? Anyways, July also brings summer shutdown over the 4<sup>th</sup> of July so our kids and families can have a moment of respite from the camps and open gyms that they've been participating in all in preparation for the upcoming seasons. The shutdown week also provides our custodial crews a chance to get a few things done that are more easily accomplished with empty halls and gyms. Kudos to the crew who are ahead of schedule in their cleaning. The school is already beginning to look ready for the start of school. The maintenance crew is forging ahead at a furious pace. While they're waiting on windows and lockers to arrive in July they've turned to the soccer fields to install the new scoreboards and bleachers.

Amidst all of this work, the summer shutdown also brings another very important thing...a reminder to stop, enjoy the summer, celebrate our country's Independence, and share some time with family and friends. Enjoy the weekend and the 4<sup>th</sup> of July!

Don't forget the Rawson Proud Festival on Saturday, July 15<sup>th</sup>! We hope to see you there...and get those pitching arms warmed up for a chance to dunk me after the parade!
